Products HD Picture

Power Liftgat Features

Hands-free power tailgate (Power tailgate lift) is a back-door system, the user of the vehible controls the liftgate / tailgate opening and closing by pressing a key located on the dashboard or handheld or remoting the key, or by using any object operation in the corresponding region of the liftgate.

Can be OEM / ODM

FAQ

1.How long is your delivery time?

-Generally speaking , it needs 10days after deposite received from customer. The exact producing will time depends on the fianl quantity of your orders.

2.Can I install it by myself?

-Yes , it is esay to installed by youself. We can also direct you to do that online if you need. Thanks

3.I just had the power lift gate installed, once I connect the power, the buzzer started to sound like "bebebe..bebebe..bebebe", what's wrong?

-It's normal, the first time installation need to manually close the gate to initialize the system, then the alarm will be gone and all will be working!

4.If the mechanic malfunction, we can still open the trunk manually?

-Yes it can be operated manually even the electronic parts are not functional. Don't worry, we provide two years warranty because we have confidence in the built quality.

5.Does it fit my car ?

-Pls send us your car's model number and real photoes and also the spec, so that we can check it for you. thanks
